

The diagram shows a large rectangle with a 15-degree angle at the top right corner. A solid blue line follows the outer edge of the rectangle, representing the 'Cutline'. A dashed orange line follows the inner edge, representing the 'Artwork Safe Area'. The top-right corner of the dashed line is also cut at a 15-degree angle, mirroring the outer cutline.

A5 15° Degree Dieline/Cutline

Please add your designs onto the Artwork Layer removing your dieline when sending through final artwork.

Please also save artwork with
with 2mm if needed.

----- Artwork Safe Area

Please do not make text or borders
any less than 3mm from the edge
